* Facility counts are from 2009 Frozen Data used under the State Review Framework. This information may differ from updated data pulled from ECHO or other sources.

** This category includes permits, such as combined animal feeding operation (CAFO), non-contact cooling water, sand and gravel, municipal separate storm sewer system (MS4), and industrial stormwater permits. There may exist more permits than are counted in this column; states are not required to enter records into EPA data systems for these permits.
