NOTES: Bold indicates compliance and enforcement program is implemented by EPA (e.g., state or territory is not authorized -AK, IA and VI)

Facility counts and other data are from FY2009 Frozen Data used under the State Review Framework -Information may differ from updated data pulled from ECHO or other sources

- The quality of the universe data in RCRAInfo may vary significantly for each state (see report Background for more details). Therefore, the reader should not compare the universe information or columns using the universe information between the states.
- Active refers to "active-operating" TSDFs and "active" LQGs which refers to the operating status of the facility.
- TSDFs and LQGs, for this report, are referred to as Major facilities. All others are considered Non-major. These are not programmatic or legal designations.
